OTHER BUSINESS

CARVERS - BE READY FOR A GROUP PICTURED AT THIS MEETING.

Don't forget about show and tell.

WHAT'S IN STORE FOR THE OCTOBER 30th MEETING?

Vince Hale has an interesting project for us just in time for those last minute stocking stuffers. He says to bring a sharp, slim, knife for cutting the inside elements free.

Dean's teaching but what's that shiny spot in the foreground?

Did Bernie really want a blood donation just to have a red headed angel?

Lots of concentration going on here.

And here.
