## NEWS FROM THE PRESIDENT

We only have three more instructor slots open for next year. See me as soon as possible before they are all gone and you miss out.

There are several items that I would like you to think about so we can discuss them at the January meeting. First, is there any interest in having a Lake Ray Hubbard Wood Carver's Club membership card? We can get a 10% discount at Rockler and Woodcraft with it. The second item is using club funds to purchase bulk basswood from Resdoor in Fort Worth and then selling it to members. Third, is there any interest in having a club table at the upcoming show in Grapevine March 5<sup>th</sup> and 6<sup>th</sup>? The table would cost \$50 and would have to be manned by club members on both Saturday and Sunday. We would be allowed to show and sell any items we have carved ourselves.

Please be prepared to discuss the above items along with any questions or concerns you might have.

Dues will be \$10 again this year (couples are just \$10 for both) and are due at the January meeting.

Look forward to seeing you all in January.

Bernie

PS: Don't forget to bring something for **Show and Tell**.

## NOTES FROM THE EDITOR

I'm looking for feedback on what you all would like to see in the newsletter for the coming year. We'll continue to have all the present information but would you like to see anything else? Please contact me (Tom Noller) at [nolletto@verizon.net](mailto:nolletto@verizon.net) or at any of the meetings with your ideas.

## WHAT'S IN STORE FOR THE JANUARY 29th MEETING?

The January project will be Snowmen by Tom Noller. These little characters can be customized to look like just about anything you want them to be. They're really easy since they are all from the same cut out and you don't need to carve a face. Bring a good sharp knife and a head full of ideas.
