NEWS FROM THE PRESIDENT

Fellow Woodcarvers,

Our thanks go out to Bob Case who taught us to carve a Palomino horse. It was very interesting since most of us only carve dogs. I'll bet everyone will bring theirs in for "SHOW AND TELL".

The April instructor had advised me that we should all *BRING SOMETHING WE NEED TO FINISH* since the project will be simple and won't take very long.

I really appreciate the contributions to the donut fund. This was the second month running that I came out with more money than the cost of the donuts. Any extra money will be used to offset future donut costs or go to the club funds.

Come on now. I know you all have a lot of carvings hiding around your house. Bring them out for "SHOW AND TELL" to share with the rest of us. It'll really make your President happy to see everyone bring something. It doesn't have to be large or a master piece. This is the way we all learn.

I didn't get any feedback about doing another group project. Please let me know your thoughts at the April meeting.

Bernie

ITEMS OF INTEREST

Making anything to sell, donate, or give to kids under 12? You need to be aware of the "Consumer Product Safety Improvement Act" (CPSIA). The law is still in flux but if you put any kind of a finish on a piece it now needs to be tested. Some new developments may make it so that you can get a certificate from the manufacture of the finish but you need to verify this. I've seen info that said that MSDS sheets or OK and some that say they aren't. It is still OK to make something for a relative without testing.

WHAT'S IN STORE FOR THE APRIL 30th MEETING?

The project for April will be free but everyone needs to *BRING SOMETHING TO FINISH* on their own since the project will not take too much time. Don't forget to bring something for "SHOW AND TELL".

?

Bernie Won't Tell.
You'll have to come to find out.

MARCH MEETING PICTURES

Richard's Go By. Let's see his progress in April.

Sharp side up. Sharp side up.. Sharp side up.

A herd of horses in the making.

Our instructor hard at work.

What's that rabbit doing in with all the horses?

Show and Tell
