NEWS FROM THE PRESIDENT

Thanks go out to Bob Gaines for getting us into the Christmas Spirit early this year. We also want to thank Bob for donating the \$19 collected from the rough outs to the club. This along with money I've received for some cut outs has been used to pay for renting the hall for our Christmas party. The Christmas party will be held on December 8th at the Meyers Community Center which is the same location as last year from 6pm to 11pm. Please let me know if you have any ideas about how to make it even better this year.

The following is a list of items from last year but feel free to substitute or add. I'd like someone to volunteer to help me with the meat items this year. Please contact me with what you would like to bring.

Pasta Salad, Cookies, Salad, Desserts, Pea Salad, Broccoli Casserole, Green Beans, Deviled Eggs, Turkey, Ham, Trash Bags, Coffee, Salt, Pepper, Olives & Pickles, Short Christmas Tree, Canned Drinks and Ice, Paper Towels, Plates, Plastic ware, Napkins, Cups, Rolls and bread, mustard OR anything else you want to bring

I'd really like to see more carvings given away this year. It's always special to receive one from a friend.

Don't forget to see me about picking a month to instruct. We can help with wood, cut outs, and go byes if you need it.

Enjoy and have fun.

Bernie

ITEMS OF INTEREST

Can't get to the store to buy wood? Here is the web location for the vendor from the Nebraska school. I don't know what he charges for shipping but I've used his wood and had good luck with it. www.loesshillssawmill.com

WHAT'S IN STORE FOR THE August 27th MEETING?

What are you going to do with all your animals if it ever rains again? Come carve an ark with Gary Gaulden and you'll have a place to put them.
