NEWS FROM THE PRESIDENT

Our thanks to Bernie for the bolo Santa project. He also donated the money from the cut outs to the club. See below to find out what he has in store for us this month.

I want to thank Tom Caster for letting us use part of his table at the Grapevine show.

For anyone who was not at the meeting, we presented Bob and Charlene Gaines plaques and Bernie Gajdica with a vest to thank them for all their work from starting the club back in 1998 through the recent years. They all did a wonderful job.

Bill Wagner will create a list of items needed for the Nativity Scene and then we will have a drawing to determine who does what item. It was also suggested that we will do two sets of everything. The club still needs to decide on the final disposition of the completed sets but at least one of them will go to a club member at the Christmas party. Bernie told us that he was not able to get any sticks so we will not be doing the club friendship staff this year. Maybe next year? I was not able to find any place on the internet that would do vests with our logo on them so that project is also dead.

Rudy Hunger was able to get us some additional basswood at great prices so we now have a large stock of approximately 2" and also some nominal 1". Instructors should let me know what they need.

I've included some patterns for your use in making Christmas Ornaments for our give away latter in the year. Hope to see a lot of them at the next meeting.

I'm looking forward to seeing you all at the March meeting.

Tom
