## NEWS FROM THE PRESIDENT

First I would like to thank Vince for filling in for me at the last meeting. I understand he did a great job. (Suppose he's our next President in training?)

Bob Gaines did his usual great job with the duck pin project. I want to thank him and Richard for donating the proceeds from the cut outs and snacks to the club treasury.

I sent the club contact information into the "Carving Magazine" so it will be included in the list of clubs in Texas.

It's time to start planning for this year's Christmas Party. I have tentatively reserved the same building as we had last year for Thursday, December 6<sup>th</sup>, from 6:30pm to 11:00pm. Only two meetings left after this one so you need to be bringing in all those Christmas Ornaments you've been working on.

Keep the chips flying,

Tom

## ITEMS OF INTEREST

Some of you may already get Carving Magazine and know about Susan Alexander's "Let's Talk Carving" articles. If you don't get it, you can go to her blog and read all the past articles she's written. They contain a lot of good information relevant for beginner and intermediate carvers. [www.letstalkcarving.com](http://www.letstalkcarving.com)

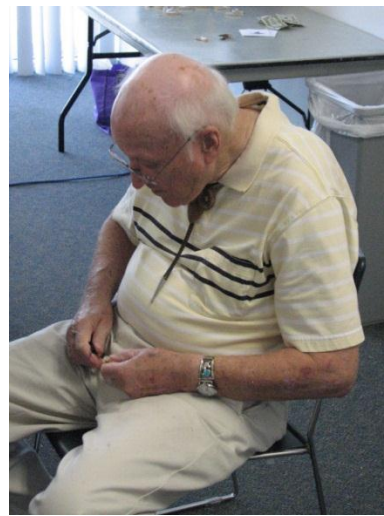

## WHAT'S IN STORE FOR THE AUGUST 25<sup>th</sup> MEETING?

Charley Garrison has a great two for one project for us this month. He is going to start with one of these classic figures and then we can move on to the second as we have time.

**Those guys on the end don't look like Seniors!**
