## NEWS FROM THE PRESIDENT

First let me welcome Lois Theisen to our group. We're always glad to have new carvers join us. Please introduced yourself if you haven't already.

Charley Garrison did a great job teaching us how to carve Sadie (once we convinced him that we didn't carve as fast as he can talk). Some people even got started on Rufus.

It was decided that we would distribute the two Nativity Scenes at the Christmas Party. One will be given away through a drawing consisting of all the carvers who contributed pieces to it. The second one will be put up for sell through a silent auction. Speaking of the Christmas Party, it will be held in the same building as we had last year on Thursday, December 6<sup>th</sup>, from 6:30pm to 11:00pm. I've attached a list of items that we will need so please start thinking about what you would like to bring. Meat items will be reimbursed by the Club same as last year. Also, please **BRING IN ANY OUTSTANDING NATIVITY SCENE CARVINGS** so we can finish putting the sets together.

Only one meetings left after this one so you need to be bringing in all those Christmas Ornaments you've been working on. Please think about how you would like to have them distributed so we can start making plans

Keep the chips flying,

Tom

## ITEMS OF INTEREST

Want ideas? Go to [www.images.google.com](http://www.images.google.com) and type in whatever you are thinking about carving and you'll get tons of pictures on the subject without having to drill through multiple sites. Try Santa patterns then look for the drop down menu and pick wood carving patterns.

## WHAT'S IN STORE FOR THE SEPTEMBER 29<sup>th</sup> MEETING?

Gary Gaulden will get us "rolling" and "horsing around" with this month's project. Looks like a great project to give away at Christmas to one of your grand kids.
