## NEWS FROM THE PRESIDENT

If you didn't make the last meeting, you missed out on some great wood burning instruction by Barb and Jim Holton. It was very evident that Barb is quite an artist and shared some of her tips on how to use the pens and create things like feathers and fish scales. Jim shared his knowledge of the equipment including how to get 900 different tips (although they said you only really need 4).

I'm happy to report that I have already received two quilt squares and one Christmas ornament. Remember to leave a quarter inch border and use Deft Satin for the final finish on the quilt squares. Hope to see many more at the next Show and Tell.

Tom

## ITEMS OF INTEREST:

## WHAT'S IN STORE FOR THE JULY 27<sup>TH</sup> MEETING?

Regrettably, Bob Gaines will not be able to do the July project. He gave me a call and is not feeling well enough to get everything prepared. We will miss having him do the project since he always comes up with a great one. Let's all hope that he gets to feeling better real soon. **Instead of an instructor this month we have decided to have everyone work on their quilt square or Christmas ornaments. You can bring your own ornament blank or we will have some cut outs for you.**
