NEWS FROM THE PRESIDENT

Thanks to Tom Caster for the January project. We had a lot of howling ducks being born and some really lame jokes from an anonymous carver whose initials are VH. Tom donated the proceeds for the cut outs to the club.

Everyone was in favor of doing another club project. We need ideas for the project and we need to decide what is going to be done with it prior to starting. The only suggestions so far is to do something for the Rowlett Center again so we can get a free room for the Christmas Party. Need ideas as to what the project could be.

There was also enough interest in doing a rough out as a group to proceed with it. We have decided to do a Santa Clause and will use the August and September meetings for this project. The cost will be \$10 with the club subsidizing the difference in the cost of the rough out. Anyone not wanting to do a rough out can bring whatever they would like to carve on. The following people have signed up. Send me an email, give me a call, or let me know at the February meeting if you are not on the list and want to be added:

| | | | | | |
|------------|--------------|---------------|--------------|---------------------|------------|
| Tom Noller | Steve Crouse | Barbie Holton | Jimmy Holton | Vince Hale | Tom Caster |
| BobCase | Dean Walden | Jean Caster | Eddie Brook | Richard Christensen | |

Please remember to pay your dues if you have not already done so.

Still need an instructor for June. Sign up at the next meeting!

Tom

Want to try chip carving? Here is a good place to start. www.mychipcarving.com

WHAT'S IN STORE FOR THE FEBRUARY 22nd MEETING?

Richard Christensen will be leading us in carving an owl starting from a square block. This should be a good learning experience that will help you with carving items from scratch. He will also give a lesson on how he paints the owl for those who want to stay around after the business meeting. You should bring a brush, water container, and black, white, brown, and orange paints. Also a wood burner if you want to burn it first.
