NEWS FROM THE PRESIDENT

First let me welcome Deryl Holcomb, our newest member. Please introduce yourself to him if you haven't already.

Thanks to Eddie Brook for the March project. I think most people got their horned frog carved. Being an Mid-West boy, I've never seen one for real so bring them all in so I can see what you think they look like.

Here is the list of people signed up for the Santa rough out class. Let me know if you signed up and I didn't get your name here for some reason.

Tom Noller

Steve Crouse

Barbie Holton

Jimmy Holton

Vince Hale

Tom Caster

BobCase

Dean Walden

Jean Caster

Eddie Brook

Richard Christensen

Gary Gaulden

Dick Guerrero

Dorina Thomas

Curtis White

Jim Duncan

Karen Rude

I was very happy to see that more people brought in items for show and tell. It doesn't have to be something recent, just something you did. Also, bring in your work in progress and let us see what you're working on. Let's see how many different horned frogs we can bring in this month.

It was decided that since we can't get an instructor for June, we would use the meeting to start Christmas ornaments. We will have some cut outs available or you can do your own.

WHAT'S IN STORE FOR THE APRIL 26TH MEETING?
