NEWS FROM THE PRESIDENT

Well Bob Case did an excellent job again for our the April project. I know I learned a lot about how to take a stick and make it into a clown. Should help in the future when trying to do other figures.

For anyone who didn't hear, Jim Duncan fell off a ladder and suffered a severe ankle sprain. Here's wishing him a speedy and full recovery and hoping he is well enough to join us this month.

I want to thank Dean Walden for taking the time in New Braunfels to work with Pat Moore to carve the first go-by for our Santa project. As he showed you at the meeting, we will be drawing lines on the rough outs for the major parts so you will know where to start. You will most likely not be able to complete the project just in the time at the meetings but we will give you enough information to be able to take it home and work on it. I've booked the room until 4pm on these two months and encourage you to make plans to use of the extra time.

We have purchased a rough out for each of the people listed below who indicated they wanted to carve one. The cost to you will be \$10 and will be collected when we hand them out.

Tom Noller	Steve Crouse	Barbie Holton	Jimmy Holton	Vince Hale	Tom Caster
BobCase	Dean Walden	Jean Caster	Eddie Brook	Richard Christensen	Gary Gaulden
Dick Guerrera	Dorina Thomas	Curtis White	Jim Duncan	Karen Rude	

I wanted to make sure everyone knows that we have the room until 2pm on all the normal Saturdays so there is no hurry to leave right after the meeting portion.

Tom
